

HOLMAN PLACE PUBLIC SCHOOL NEWSLETTER

TERM 4 WEEK 8, 2018

Friday 7th December 2018

Important Info:

End of Year Assembly
Our end of year assembly will be held in the Mulyan Hall on the 12th December.

Please lock that into your calendar as it is a day that we really look forward to.

Student of the Week Week 7

Djirrali Doolan

Student of the Week Week 8

Jye White Scott

It was brought to my attention today that there are only 8 school days left this year! Oh my goodness, where has this year gone?

As the year is coming to a close there is still plenty to come...

Last Friday, the Senior School students, teachers, families and friends of our graduating students Tori Lee, Bradley, Codi and Darcy celebrated the end of their education at Holman Place School with a beautiful luncheon at the Cowra Services Club. It was absolutely wonderful to see our students dressed beautifully as well as have impeccable manners to boot. Congratulations to all of our graduates, you are all going to be missed but we look forward to seeing what comes for you in the next chapter of your lives.

I would also like to acknowledge our families that are leaving us too as they are too have been a vital part of the family of

Holman Place for many years. Thank you to Marie, Chris and Bev for the time, effort and support over the years.

We are very much looking forward to the end of year assembly to be held at Mulyan next Wednesday 13th December. Our final assembly is the wrap-up of the year where we are able to celebrate the wonderful achievements of our students as well as acknowledge the great community who support us and the programs that we run. We look forward to seeing as many families and friends as possible join us. We will hold the "formal" part of the assembly at Mulyan, commencing at 10.30. We will then come back to Holman Place where the children will sing Christmas carols and hopefully a special visitor will arrive, followed by a sausage sizzle lunch and treat. I look forward to seeing you all on Wednesday!

Our Christmas hampers are coming along nicely but we are still accepting items. It would be great to see our hampers overflowing for the lucky winners. Thank you to everyone who has donated so far and returned their tickets. Please ensure you send tickets in before the assembly.

Kylie

Warm Wishes,

Kylie

Wombats

Wow! It's almost the end of term, and you know what that means? Santa will be joining us next Wednesday at our end of term assembly. We have been practicing hard in rehearsals for our end of term item as well as our whole school Christmas items. We hope to see

you all join us at Mulyan School next Wednesday.

We have been busy finishing off our number and letter works over the last two weeks. The students are all doing a great job of colouring, cutting and pasting their work.

We have been having a great time utilising the school library and our

recently acquired keyboards. We have some budding Liberace's in our class.

We have also continued working on 'Keeping Ourselves Safe' unit. This week we have been identifying people who can help us, with a focus on the great people in blue our police officers.

Miss Louise and Sue

Koalas

This week saw Noah turn 8 and Kayden 7. Thanks to the parents for providing cakes and making their special day even better as they enjoyed celebrating with their classmates.

Students are enjoying learning dance moves for the end of year assembly. Kayden, Noah, Wade and

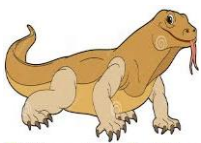

Ollie are helping the wombats as they bust their moves. Jye is enjoying Christmas craft where Koalas have made Santa's and Elves. Students have also been learning how to look at patterns and continue them on in maths. It has been interesting to see all students look closely and make choices about which colour or shape

may come next out of a possible 10 options.

The class continues to enjoy reading and story time as each student can take turns at selecting an online book.

Finally Tash and I look forward to seeing parents and carers at the end of year assembly next Wednesday.

Tash and Mr Bryson

Goannas

We are powering towards the end of the year in the Goannas classroom, continuing to work hard whilst getting into the Christmas spirit!

Students have been writing various types of texts, most recently composing a letter to Santa, politely requesting their preferred gifts.

Students have also been investigating different types of patterns and using them in their Christmas art and craft.

Next week is our final assembly of the year and we are hoping that students' families and friends will be able to attend. Everyone has been working hard on their performances and it is a great opportunity for

students to show off their dedication and skills in dance and music.

I have had a wonderful time with the Goannas this week and look forward to sharing their success with you when reports go home next week.

Season's greetings!

Miss Alex and Ruth

Emus

The Emu class has started to get into the Christmas spirit. They are improving their drawing skills by following step by step instructions to complete elves, Santa and Rudolf.

Congratulations to our year 12 graduates for 2018. Students displayed great behaviour and

manners at the graduation and our graduates seemed to have a great time.

As part of our end of year celebrations the Emu and Kangaroo classes went to Canowindra for a day of fun. First off was the fitness park, followed by the Age of Fishes museum and finishing with a delicious lunch at the Canowindra Hotel.

Students are to be commended on their behaviour.

We are practising for our end of year assembly. We hope that you can make it.

Have a great week

Miss Brooke and Chris

Kangaroos

Hello everyone!

Last Friday we celebrated our Year 12 students at a Graduation lunch at the Services Club. It was lovely to reflect on their years of schooling with the senior students and their families.

On Wednesday we went over to Canowindra for

our end of term excursion with the Emus class. We visited the Fitness Path, Age of Fishes museum and enjoyed yummy burgers for lunch. I was very proud of the Kangaroos excellent behaviour throughout the day.

We can't believe there is only a couple of weeks left of school before the holidays! In class we have

been getting in to the Christmas spirit. We have made some decorations and artworks and have decorated our classroom Christmas tree.

We are looking forward to showcasing our dancing talents at next week's assembly.

Miss Tahlia, Miss Silvia & Nat
